The Committee to Restore Carbondale City Hall and Pioneer Days 1982

To keep alive, and that in a vigorous way, the appropriate respect, admiration and gratitude that we, as citizens of Carbondale, owe to the pioneers who established our city--and to their descendants who, in the first fifty years following the incorporation of the city of Carbondale, transformed Carbondale from a small village into one of the leading cities of northeastern Pennsylvania--should be the personal work of every citizen of Carbondale.

To the founding fathers and to their descendants we are greatly indebted for the precious gifts we enjoy today: our civil liberties, our rights of citizenship, the physical and psychological amenities of life as it can be lived here in northeastern Pennsylvania.

To show our respect, admiration and gratitude to the founding fathers and to their descendants, therefore, the Committee to Restore Carbondale City Hall will actively celebrate Carbondale's heritage during Carbondale's Pioneer Days 1982. We will do so by sponsoring a series of educational and historical activities to take place in Carbondale and in Carbondale City Hall during Pioneer Days 1982. These activities will be a celebration not only of Carbondale and Carbondale City Hall but also of the economic, political, social and ethical orders that made possible the city of Carbondale. These educational and historical activities will include, but will not be limited to, a series of talks/presentations on the history of Carbondale, to be entitled "CELEBRATING CARBONDALE'S HERITAGE."
